## National Children's Study

The National Children's Study is coming to Rancho Cielo! This is the largest long-term children's environmental health study ever done in the U.S.. The HOA Board has agreed to welcome interviewers from UCI to our community, January 7-10, to complete a survey of randomly selected households in Rancho Cielo. Questions regarding involvement can be directed to the household interviewer, [www.nationalchildrensstudy.gov](http://www.nationalchildrensstudy.gov) or call the Orange County Vanguard Center at (888) 824-4121

## Exterior Changes

Before you perform any exterior changes to your home, you must first submit an architectural variance request application to the Board for review and approval. Changes made without association approval may not be permitted and will have to be changed. **Please note that the association has completed the update of the approved color schemes.** If you are planning on painting the exterior of your home, please call our manager for more details on the new color schemes.

## Basketball Hoops

We need all residents to put their basketball hoops away when not in use. Leaving them in the driveway or on the street is not approved. This is not just an aesthetic issue, it is a safety issue as well. Thank you!

## 2010 Annual Election

The annual election will be held on February 23, 2010. Within the next few days you will receive notice of the meeting with a ballot of candidates running for the Board. Please be sure to complete and return your ballot so that we can establish the necessary quorum. Thank you!

## Vehicle Security

We want to remind you of the past vehicle break-in that have occurred in our community as well as in the surrounding communities. Please be sure to properly secure your vehicles and do not leave expensive items such as phones, I-Pods, cameras, lap-tops, etc. in plain view within your vehicle. Also, if you do have a break-in or theft, be sure to call the Sheriff at the non-emergency number at 949-770-6011.

## Resident Parking

As a reminder, all residents are required to park their vehicles inside their garage or in their driveway. Residents are not permitted to park on the street without association approval and only for certain reasons. **Also**, residents are not permitted to park their vehicles overnight in the pool area or tennis court area parking lots. These lots are intended for short term use by those residents visiting the pool or tennis court areas.
