Pool Update

The pool is finished and it looks great! An ice cream party was held on June 18 to celebrate the grand re-opening. We had a great turnout and it seemed like everybody was really pleased with the work that was done. Thanks again to the Rancho Cielo Board of Directors for all their time and hard work! Thanks also to the Pool Party Planning Committee; Rod & Michon Miller, Deborah Paul, Lori Harp, and Greg Altemus helped make the party a wonderful event. Thanks also to the Hrabiks for providing the sound system and the music!

Friends, be aware that for our safety and the good of the community, there is a security camera in the pool area. This isn't Vegas and what happens at the pool, doesn't necessarily stay at the pool. Ugly bathing suits, hairy backs and farmer tans will not be reported to the authorities, but fence jumping, using the pool after hours, obnoxious behavior and those types of shenanigans will be caught on tape and consequences could be serious. Make sure everyone in your house appreciates how lucky we are to live in such a beautiful neighborhood and to be respectful of other people and the property.

Living Air- Home Purifiers

Hi, I'm Debbie Schlemmer, your independent distributor here in Rancho Cielo, with the **Living Air Home Purifier**.

You have probably heard about these on talk radio with Larry Elder, Dr. Laura,

Bill Handel, etc. You can only purchase these through dealers like myself.

If you have any allergies or problems with pet dander, odors, etc. or just want your home to smell fresh and clean, just like after a thunderstorm, this is for you! We have a son who has asthma and allergies and he feels wonderful since we put a unit in our home. I can give you several testimonials from past customers who purchased a Living Air and are very happy they did. The Living Air is proven to eliminate smoke, bacteria, mold, mildew and some viruses!

The units are about the size of a small speaker and you only need one unit to purify the air in a 3000 sq. ft. home.

Call me for a "Rancho Cielo Special." I would love to share with you how wonderful these units are.

Major Bummer

A burglary occurred on Via De La Luz, Sunday afternoon June 12, 2005. A back door was left unlocked when no one was home and a laptop was stolen. If you have any info about this, contact the guard on duty.

Got Game?

If you like playing basketball but don't like playing alone, contact Greg Altemus (*Ambrosia*) at GregAltemus@hotmail.com. Greg wants to coordinate a pick-up group to play at our

neighborhood court. Thanks Greg, sounds like fun!

If you have the June issue of Orange County Magazine, check out page 80. Doug Davidson (*Via Del Lago*) was honored as one of Orange Counties Fathers this year. Congratulations Doug!
