The next association meeting will be held on

Oct. 27, 2005

At

7:00 PM

At

**Trabuco Canyon
Water District
Offices**

**HOA Web-Site
Ranchocielo.org**

Street Repairs & Seal Coating

A special notice has been mailed to you informing you of the dates for the seal coating of the streets. The work will be done over a period of 3 days starting October 5, 2005.

Please be sure to look for the letter and please observe all street closures.

Parking Rules

Enclosed is a print out of the association's parking rules. Please take a moment to read the rules. We continue to have ongoing violations of the parking rules which causes a disturbance for other residents in the community.

Exterior Changes

Before you complete any exterior changes to your home, you must first submit an architectural variance request application to the Board for review and approval. Changes made without association approval may not be permitted and will have to be changed. If you have questions, please call our manager. Thank you!

Exterior Painting

As a reminder, the association has pre-approved color schemes for the exterior of your home. If you are looking to make a change or have been asked to do so, this process can be very quick and easy.

If you have checked out a paint color book from the guard shack, please return it. We are missing most of the books due to the fact that owners have not returned them. Thank you!

Resident Information

If you do not turn in your new resident information form last month, please do so right away. We want to update our resident information as soon as possible.

Iron Fence Painting

Please inspect the fencing around your home. Most residents have some white iron fencing around their homes. This fencing needs to be painted every couple of years to keep it from rusting and failing. Many of our owners need to repaint their fencing. Inspections will be conducted to locate and notify owners accordingly. The approved color is Swiss Coffee.

Construction Debris

If you are performing work on your home that creates debris, please make sure that you or your contractor takes reasonable precautions to properly and quickly dispose of debris, avoiding piles of dirt, sand, trash, etc. in front of your home. Also, please be sure that they clean up the streets by sweeping and washing them.
